

Shingrix Pricing and Information 2022

Access Vaccines Portfolio Program Members receive discounted member pricing on Shingrix in addition to GSK's full portfolio of vaccines. Members receive the lowest pricing of Shingrix on the market. Shingrix is a 2-dose series used for the prevention of shingles (herpes zoster) in adults 50 years and older. Shingrix uses your body's immune system to boost protection against shingles. Shingrix is a 2-dose series, with the second dose administered 2-6 months after the first.
