

Access Vaccines Sanofi Vaxelis Program

Access Vaccines members receive member pricing on all Sanofi vaccines on our mainline Contract

- Vaxelis reduces the number of shots an infant will receive during the DTap series by 2-3 doses. There are 2 Vaxelis programs. The first is referred to as **BASE** and the second is **PERFORMANCE**.

Sanofi Vaxelis Offerings

BASE OFFER: The Base offer allows an account to get some experience with Vaxelis for accounts that utilize multiple brands for their DTap vaccines.

PERFORMANCE OFFER: The Performance offer is for accounts that want to make Vaxelis their DTap go to product.

- *performance accounts must maintain 75% market share in DTAP
